Rruga Elbasanit No. 103

6.0 Basis of Compensation to the Contractor

6.1. Official Travel. The Government will reimburse the Contractor for airline ticket fees for official travel arranged by the Contractor. This reimbursement will take one of two forms:

- The Contractor will enter the amount of the service fee per airline ticket as a separate charge for each point of service transaction using the Government Travel Card number provided by the COR; or
- The Contractor will include the amount of the service fee per airline ticket as a separate item on the invoices it generates for actual carrier rates and/or fares it purchases on behalf of the Embassy (and at the COR's direction).

6.2. Personal Travel. The Government accepts no liability for the cost of any personal travel arranged by the Contractor for Government employees. The Contractor is responsible for collecting payment from the traveler for the cost of personal travel and any transaction fee, if applicable.

7.0 Billing and Payment Procedures

7.1. Billing and payment procedures for transportation expenses will differ, as noted, according to whether the Government travel card can be used for a particular airline or not. Only the cost of official carrier transportation and excess baggage may be charged to the Government, plus the transaction fee.

7.2. The Contractor shall refund immediately the difference in cost if the Contractor has failed to book the lowest available fare except for the constraints noted in Section 1, continuation of block 20, paragraph 3.2.1, that satisfies agency needs. No

transaction fee shall be charged for this refund, but neither shall the transaction fee paid by the Government, be refunded by the Contractor.

8.0 Refund Procedures

8.1. Under no circumstances shall the Contractor provide any Government employee with a cash refund on tickets for official Government travel.

No cash refunds shall be made for CBA purchases.

9.0 Transaction Fee Procedures

9.1 Official and Personal Travel. These procedures apply only to official Government travel, not personal travel. Any transaction fee charged to an individual on personal travel shall be between the traveler and the Contractor. However, the Contractor shall post in a plainly visible location, the transaction fee to be charged to a traveler on personal travel.

9.2. Charging of Transaction Fees. Block 20, paragraph 2.0 includes definitions for "Transaction" and "Transaction Fee". The pricing portion of this BPA sets forth more than one transaction fee amount and the applicable fee is based upon which category in the pricing table describes the transaction.

9.2.1. When requested by the Government, the Contractor is required to arrange for transportation of one or more individuals. The Contractor may charge only one transaction fee per ticket when the ticket is issued. Until such time as the Government requests the Contractor to issue and the Contractor actually issues a ticket for transportation, no transaction fee shall be charged for any services associated with that transportation:

9.2.2. Upon issuance of the transportation ticket, the Contractor shall charge the Government the applicable transaction fee for one transaction, that transaction being the ticket issuance. The Contractor shall not charge additional transaction fees for any other services noted above or elsewhere in this contract.

9.2.3. Once the ticket is issued, if the traveler requests a change in that ticket that requires ticket reissuance, the Contractor shall charge the Government an additional transaction fee. No additional transaction fee shall be charged for any other services.

9.2.4. After ticket issuance, if the Contractor must change and/or change and reissue the ticket because the Contractor or the Government discovers a Contractor-caused

error in the routing, carrier or other problem, there shall be no additional transaction fee charge.

10.0 Permits/Licenses -The Contractor shall obtain all permits, licenses, and appointments required for the prosecution of work. The Contractor shall obtain these permits, licenses, and appointments in compliance with applicable host country laws.
